The College of Practical Homeopathy, London N12 9QH

The Narayani Remedies are a group of combination remedies that are being used successfully by homeopathic practitioners all over the world. The width and depth of the action of these remedies addresses all the needs of the modern patient and in addition works well with traditional methods of prescribing.

The day will cover:

- The Spirituality and Practicality of Narayani
- Groups of Remedies in this range
- Background remedies
- Methodology and the 9-step approach. Using
- Organ Remedies and Clearing Drug Toxicity
- “MAPPING” – of conditions such as Chronic Fatigue, MS, Hypothyroidism, Autism and other learning difficulties, to name a few.
- Cases/Testimonials
- FAQs
- New Remedies

You will go home knowledgeable and confident in the use of this wonderful range of remedies that will enhance your treatment of the 21st Century patient. If you already own a set of these remedies you will learn how to use them more effectively. If you do not own a set this seminar will help you decide if it is for you or not
